

Dear All

We have decided to do the 5th version of Trolling Master Bornholm.

Trolling Master Bornholm 2009 will take place in week 18. The first day in the competition will be on Wednesday April 29. The last day will be Saturday May 2.

Due to a number of reasons we have to move the competition from week 17 to week 18.

We have received feedback from approx. 30 boats. All of them positive but also containing things, that can be done better. On that background we are working on different improvements. These will be made public later in the year.

We expect registration to open mid December as usual. The precise date will follow.

We hope to see you all in Tejn again – and maybe together with new participants!

Best regards

Jan Jørgensen,
Managing Director,
TV 2/Bornholm
